of interest earnings attributable to the deposits in that account. Expenses relating to political subdivision audits must be paid from the state auditor operating account, within the limits of legislative appropriation.

3. In lieu of conducting an audit every two years, the state auditor may require annual reports from ~~school districts with less than one hundred enrolled students; cities with less than five hundred population; and other~~ political subdivisions subject to this section, or otherwise provided by law, with less than ~~three hundred~~ seven hundred fifty thousand dollars of annual receipts, excluding any federal funds passed through the political subdivision to another entity. If any federal agency performs or requires an audit of a political subdivision that receives federal funds to pass through to another entity, the political subdivision shall provide a copy to the state auditor upon request by the state auditor. The reports must contain the financial information required by the state auditor. The state auditor also may make any additional examination or audit determined necessary in addition to the annual report. When a report is not filed, the state auditor may charge the political subdivision an amount equal to the fair value of the additional examination or audit and any other services rendered. The number of copies of the audit report requested by the state auditor must be filed with the state auditor when the public accountant delivers the audit report to the political subdivision. 5. A political subdivision may not pay a public accountant for an audit until the state auditor has accepted the audit. However, a political subdivision may make progress payments to the public accountant. 6. The state auditor may require the correction of any irregularities, objectionable accounting procedures, or illegal actions on the part of the governing board, officers, or employees of the political subdivision disclosed by the audit report or workpapers, and failure to make the corrections must result in audits being resumed by the state auditor until the irregularities, objectionable accounting procedures, or illegal actions are corrected.

SECTION 5. AMENDMENT. Section 54-10-27 of the North Dakota Century Code is amended and reenacted as follows:

54-10-27. Occupational and professional boards - Audits and reports.

If the report is in the form and style prescribed by the state auditor, the state auditor may not audit that board. An occupational or professional board may request the state auditor to conduct its audit, and if the state auditor agrees to conduct the audit, the state auditor shall deposit the fees charged to the occupational or professional board into the state auditor operating account. Instead of providing for an audit every two years, an occupational or professional board that has less than two hundred thousand dollars of annual receipts may submit an annual report to the state auditor. The report must contain the information required by the state auditor. The state auditor also may make any additional examination or audit determined necessary in addition to the annual report. When a report is not filed, the state auditor may charge the occupational or professional board an amount equal to the fair value of the additional examination or audit and any other services rendered. The state auditor may charge an occupational or professional board a fee not to exceed fifty-eighty-six dollars an hour for the costs of reviewing the annual report.

SECTION 6. PUBLIC EMPLOYEES RETIREMENT SYSTEM - STATE AUDITOR - PRESCRIPTION DRUG COVERAGE PERFORMANCE AUDIT - REPORTS TO LEGISLATIVE MANAGEMENT. In lieu of the requirement under section 54-52.1-04.16 that the public employees retirement system contract to conduct a prescription drug coverage performance audit of the main public employees retirement system health benefit plan for calendar year 2021, the state auditor shall contract in accordance with chapter 54-10 to conduct a prescription drug coverage performance audit of the main public employees retirement system health benefit plan during the 2021-22 interim, in the same manner as provided for under section 54-52.1-04.16, for calendar years 2019, 2020, and 2021.
